SUPPLEMENT TO 25X1X  
REPORT NO.

Engineers of all three Soviet-administered Siemens-Schuckert plants in Vienna have received orders to record the weights and dimensions of all machinery and material in their plants. This information is to be passed immediately to Yuzhtrans. One room in each factory is to be set aside for loading operations. Two Yuzhtrans officials reportedly visited the Engerthstrasse plant for discussions with Director Gorbunov.
